

## Press Release

Date: November 1, 2011  
To: All Media  
From: City of Klamath Falls, Code Enforcement  
Subject: Low Income Senior Citizen Snow Removal Assistance Program

The City of Klamath Falls is offering low income senior citizen snow removal assistance this winter. On request, qualifying senior citizens who are residents of the City may request assistance in removal of snow from paved driveways and sidewalks at their homes.

### Qualification Criteria:

Income: Single - \$18,800 annual gross  
Couple - \$21,450 annual gross  
Age: Must be at least 60 years of age  
Residence: Principal residence must be within the City limits

### Registration:

Seniors wishing to register may pick up a registration application form from City Finance at 500 Main Street or may download the form from the City web-site ([www.ci.klamath-falls.or.us](http://www.ci.klamath-falls.or.us)). Program registration may occur at any time throughout the winter.

### Calls for Assistance:

During the coming winter, registered seniors may call City Code Enforcement at 541 883-5358 to request assistance. On a first come basis, Monday through Friday, the City will dispatch a private contractor to the residence to remove the snow and/or ice as soon as possible. The City will pay the contractor directly. The City will only respond to individual calls for assistance during the winter. Absent a call for assistance, the City will not automatically dispatch crews.

### Limitations:

In the event these funds are expended in total, the program will immediately be discontinued.

The City will retain the right to decline or discontinue providing snow removal assistance in instances of excessive or unreasonable requests.

The service is not available to multi-unit residences.
